from:

a supreme being; the true eternal living soul of god inhabiting the living flesh and blood man of nature who sojourns earth and uses, for shelter, soil you refer to legally with the fictitious address: 3333 LAFFERTY RD. PASADENA TX. 77504. hereinafter: me, myself, my or i.

i am known as master and my identity can only be confirmed by my private seals.

- Confirmare est id firmum facere quod prius infirmum fuit. Co. Litt. 295. To confirm is to make firm that which was before infirm.

my name, identity, image, fingerprints, and dna have been taken from me, by force of arms, without my fully informed freely given consent and against my own god given free will and absolute unambiguous explicit expressed dissent then knowingly, willfully and intentionally used to falsely identify me with a legal name of an artificial person (i.e. debtor) to enfranchised me into your bankrupt corporation, UNITED STATES, as surety for debt to foreign bankers who are the receivers of the UNITED STATES bankruptcy.

Brian Douglas Roark and every derivative thereof, is created from my living being and i possess supreme sole power and authority over it exclusively and i do hereby, herein, and herewith demand, command, order and require that Brian Douglas Roark, and every derivative thereof, be immediately eternally destroyed, abolished and obliterated totally and completely from existence to prevent further injury me.

the legal name Brian Douglas Roark is a counterfeit copy of brian-douglas of the roark clan.

i was originally identified with the sound brian. the sound, roark, indicates ancestral lineage from an eighth century Viking called Ruarc. Ruarc is a personal name derived from the Old Norse Hrothekr, meaning 'famous king'. roark is thought to be one of the oldest surnames in the world.

Surnames became necessary when governments introduced personal taxation. In England this was known as Poll Tax.

Brian Douglas Roark and every derivative thereof, is a legal name created, issued, owned and administered by government for government and is government property conferred upon me without my fully informed freely given consent and against my own god given free will and absolute unambiguous explicit expressed dissent.

without my fully informed freely given consent and against my own god given free will and absolute unambiguous explicit expressed dissent, you knowing and willfully intentionally compel me, by force of arms, to identify myself as, and be identified as, Brian Douglas Roark, or a derivative thereof, an artificial (legal/jural/juridical) person created and devised by human laws for the purposes of society and government.

without my fully informed freely given consent, all the fruits of my labor are fraudulently conveyed to your corporation through the legal name of the artificial person, Brian Douglas Roark, or a derivative thereof.

the fruits of my labor belong exclusively to me, the living soul within the man of nature, and your corporation/society/military has absolutely no rights to the fruits of my labor.

the existence and use of the legal name Brian Douglas Roark, and every derivative thereof, is not evidence of my freely given voluntary consent to be a member of your corporation, society, or military, it is evidence of you force me to be a member of your corporation, society, or military without my fully informed freely given consent and against my own god given free will and absolute unambiguous explicit expressed dissent.

everything expressed herein is absolutely undeniably indisputably unambiguously true, correct, complete and certain. nothing expressed herein is false or misleading and nothing expressed herein is hearsay. every thing expressed herein is admissible as evidence in all courts, if not rebutted and proven inaccurate.

in the name of the father, son, and holy ghost, with god as my witness, i make this NOTICE OF ESTOPPEL of my own free will act and deed, to affirm the veracity of every thing expressed herein as true, correct, complete and certain. my word is my bond.

on the record for the record, let the record show, i hereby, herein, and herewith demand, command, order, and require HARRIS COUNTY agents provide me actual positive proof of true verified facts of unambiguous empirical evidence that HARRIS COUNTY has valid jurisdiction over me, or immediately and eternally acknowledge, accept, agree, concede and admit that HARRIS COUNTY has absolutely no jurisdiction over me.

- Prove. To produce sufficient evidence to raise a reasonable doubt. See 125 Cal. 325, 57 Pac. 1067.
